Organizational Behaviour and Work

Organizational Behaviour

Organizational Behaviour is the study of the behaviour of individuals, groups, and organisations in the workplace. It involves understanding the human behaviour in the context of the work environment. This study is important for managers and employees as it helps in predicting and controlling human behaviour in the workplace. The concepts discussed in this book include managing growth and development, managing change, managing conflict, and managing human resources. The book also includes case studies and examples to illustrate the concepts discussed. The book is highly recommended for students and professionals interested in the field of organizational behaviour and management. The book is available as a paperback and an e-book and can be purchased on Amazon and other online booksellers.
Through these cases, students will gain skills, confidence, and a clear understanding of the application of theory.
